Description

2002 C.F. Martin & Co. B-1E acoustic/electric bass guitar, serial number 895604, in natural satin finish. The bass features a solid spruce top with a tortoise plastic pickguard and binding. It has a mahogany back and sides, mahogany neck, and a 23-fret rosewood fretboard. It features a Fishman Prefix Plus bass pickup. In an original hardshell case. The Martin B-1 series of acoustic basses came in two variants - the B-1 (acoustic) and B-1E

(acoustic/electric). The original "One" series of these basses were produced between 1993-2007.
