Description

2003 C.F. Martin & Co. Alternative XT guitar, serial number 917291, in solid graffiti pattern aluminum top. The guitar features single cutaway Grand Concert 14-fret 00 think-style body with a distressed aluminum top, Jett Black high pressure laminate back and sides, "CFM" Martin logo grille soundhole cover, tune-o-matic bridge, Bigsby vibrato tailpiece, and a DiMarzio Fast Track 2 humbucker pickup. In an original hardshell case. Produced between 2002-2003, only roughly 170 of the aluminum top Alternative XT guitars were produced in total.
