Description

2007 C.F. Martin & Co. Elvis Presley model D-28EP limited edition guitar, serial number 1258759, in natural finish with custom-tooled leather cover with Elvis across lower bout. The guitar features mother of pearl TCB lightning bolt graphic in black micarta neck heel, abalone star inlays on fingerboard, lower fret Elvis Presley signature inlay, interior album cover label and holographic numbered sticker. Limited to an edition of 175

instruments. In its original hardshell case. Elvis Presley (1935-1977) was one of the most influential figures in rock and roll, where his early interpretations of songs and provocative stage presence helped propel the genre further into the mainstream.
