Description

2021 Gibson Korina Flying V 1958 re-issue, serial number 81003 in natural relic'd finish "Murphy Lab ultra light aging." Made with Brazilian rosewood fingerboard, two piece solid Korina body, solid Korina neck, custombucker PAFs, with replica case. This "Collector's Edition" guitar was sold together with a re-issue of the Explorer (see 2021.040.0002). This guitar is one of 81 Flying V issues in the edition.
